* = We will provide this

Our drummer uses **In Ear Monitoring**, so no wedge is needed.

We need **3x male XLR** lines to our drummer: (1x mix 5 and stereo FoH mix via matrix)

Please provide a **long XLR** cable for the lead vocal (voc 2) so the entire stage can be reached

We will bring our own drum and bass risers: 3 times 200x100x40cm.

Please let us know in advance if you think this won't fit through the loading door!
